#### SMALL GROUPS

Sermon and Small Group Series: Way of the King: A Study in the Beatitudes Beginning February 2 & 3

The Beatitudes reveal eight qualities that bring God's blessing: meekness and mercy, poverty of spirit and purity of heart, mourning and hunger, peacemaking and persecution. Not at all what we might expect as Jesus' prescribed way to happiness. Jesus highlighted these qualities to offer both encouragement and instruction on living distinctly as his followers in a world with very different values. As we integrate these values into our lives, we will receive the blessing Jesus promises to his followers then and now.

If you have questions or are interested in joining a Small Group that follows along the sermon series, contact Jesse Ramer at jesser@waterstonechurch.org.

# Kingdom Class

Sundays, April 7 - May 26 10:30am in the Activity Center

Jesus came proclaiming the Kingdom of God had arrived. But what does that mean? What is the Kingdom of God? Why did Jesus focus so much of his teaching on it? Does the Kingdom of God even matter today?

Waterstone believes that our understanding of the Kingdom of God influences the way we follow Jesus, view our lives and engage the world. Simply put, if we miss the Kingdom of God, we miss everything. This 8-week course class will explore what the Kingdom of God is, why it is vital to our faith and how it should influence our lives. Email paulj@waterstonechurch.org for more information.
